

SVEN'S PLAYING STRATEGIES

(for Beginning and Intermediate Bridge Players)

To assist with the bidding you may have consulted *Sven's Decision Tables* and now you are faced with actually playing the hands to follow up your good bidding.

You may have declared a contract yourselves and your task now is to win it. Or, you may be in opposition and your task now is to prevent the contract from succeeding. In any case, the question is:

Which cards to play and in what sequence?

Sven's Card Playing Strategies might be just what you are looking for. This booklet is a handy reference for the most common playing strategies. It explains some of the strategic concepts and provides you with a number of useful examples of how to do it.
