GOOD NEWS! ~ Early Bird Specials Extended

Our dear Fellow Zoroastrians,

As several Anjumans/ Associations/ Federations who are still genuinely looking for Youth Delegates to sponsor, have requested us to extend the Early Bird Special rates, and whose indisputable need for extra time we have acquiesced to, we feel it but right in all fairness to extend the same courtesy to all other Zoroastrians from around the world too. All Youth who have not yet applied will thus have another chance to take advantage of this offer.

We herewith state that we will accept the first tier final lump sum of \$875.00 AUD for Delegates as long as we receive it here by the 30th of June 2007. Thus the Patron rates will also remain at the original amount of \$1050.00 AUD, also to be received here by the end of June 2007. This, according to our Financial Controller will be the final drop deadline date at this low rate!!! So please hurry! Time flies and we are getting too close to deadlines for deposits for comfort.

Also do realise that the longer you delay, the worse it will be for getting discounted airline fares and for those who need visas there could be even further delays, so HURRY UP! PLEASE! Do spread the word to family and friends, so they don't miss out on this great offer!

In case some still wish to split their fees as we are now on the second rung of the system, we will continue to accept their first part payment of \$480.00 by the end of June 2007 PLUS another \$480.00 by the end of September 2007 equalling \$960.00 – as clearly stated on the Registration Form and at the website originally. The Patron fees will also be accordingly accepted as a split of \$577.50 + 577.50 = \$1155.00 by the end of September 2007.

All other tiers will remain as first intended; as will all other terms on the Registration Form.

A word of caution please – PLEASE do not attempt to send us any payments in any other currency than in AUSTRALIAN DOLLARS!

And more than anything else please fill in those Registration Forms completely and send in those photographs with your names and signatures on the reverse to avoid delays.

Hey, this Congress is sure looking GREAT and we're all having so much fun already!
