

15th November 2007

Free Ground Transportation - Melbourne International Airport (Tullamarine) to Ballarat University and back

The Executive Board of the 4WZYC is attempting to organise ground transportation from Melbourne International Airport (Tullamarine) on Dec 27, 2007. This facility will also cover transportation back from the University to the Melbourne International Airport (Tullamarine) on Jan 3, 2008 after the close of the Congress.

There are certain conditions attached to this facility.

- (A) It is not obligatory on the organising committee to provide transportation to and fro. However, the generosity of some large-hearted Zoroastrian donors and Associations has enabled us to offer this facility.
- (B) Any one wishing to avail of this facility is requested, as a matter of urgency, to provide **no later than Nov 30, 2007** the following:-
 - Airline name
 - Flight Number(s)
 - Flight arrival / departure dates and times
- (C) The transportation to the University on the Dec 27, 07 will be **from the Melbourne International Airport (Tullamarine) ONLY**. There will be visible signs displayed which will assist the arriving Delegates /Patrons to meet at a designated point at the International Arrival Lounge.
- (D) Buses will depart at designated times between 0700 hours and 1400 hours (Melbourne time) on the Dec 27, 2007 and 1100 hours on Jan 3, 2008. Groups of 40 or more (for larger busses) and 15 or more (for smaller buses) will need to assemble before buses can leave for the trip to Ballarat.
- (E) Persons arriving outside of the designated times will have to make their own arrangements at their own cost. Departure on Jan 3, 2008 will be at 1100 hours.
- (F) These times are tentative and subject to change depending on the response we receive for the overseas/interstate participants. The final timings for the bus departures will only be known after the organising transportation sub-committee receive the flight details from those wishing to avail of the free facility. The Executive Board will endeavour to communicate the bus departure times as soon as practical.
- (G) All local or interstate Delegates and those arriving before Dec 27, 2007 who still wish to avail of this service must find their own way to Melbourne Airport (Tullamarine) to catch the bus at the designated times. However, you must inform us well in advance, as last minute inclusions will not be possible.
- (H) Further information will be circulated in due course when timings are finalised.
