

2009 ANNUAL NSW PDHPETA Conference

**Novotel Manly Pacific
October 23 and 24**

The conference theme *Success through
PDHPE by*

- Building technology
- Building relationships
- Building strategies for change

The program will provide opportunities for two different styles of presentations; one hour workshop sessions and "Shopfront" style presentations where presenters will speak to delegates for a short period about a teaching and learning concept that has been effective in engaging students in their school.

If you are interested in presenting in either of these styles at conference, please contact Kate Brannan kbrannan@brigidine.nsw.edu.au

A Conference Presentation Proposal from the NSW PDHPETA website- www.pdhpeta.org will be available soon.
