

“From Surviving to Thriving” Conference

This is an exciting and innovative professional development activity for PDHPE early career teachers being conducted by ACHPER NSW, for K- 12 PDHPE teachers across all education sectors who are in their first five years of teaching.

Participants will be given the opportunity to be involved in workshops that address current issues for early career teachers as well as be involved in activities that will enable planning for the future

**Are you likely
to have a new
scheme teacher
at your school
in 2009?**

Topics covered may include;

- Symposia and workshops focussing on early career teacher induction issues
- Classroom management
- Key messages around the Years 7-10 PDHPE syllabus
- Assessment and reporting in PDHPE
- Teaching Standards expectations
- Practical electives- e.g. Fundamental Movement Skills, Game Sense, Lifelong Physical Activity and Dance
