

2006 HERITAGE BALL

Parramatta Town Hall

Church Street Mall

PARRAMATTA

Saturday 27th May, 2006

Thank you for supporting the Bush Music Club's Heritage Ball for 2006.

Note that the Ball will run from 7:30pm – 12:30am.

The Town Hall doors will open at 7:15pm with the Grand March starting at 7:30pm.

There will be three breaks during the evening for a light supper and non-alcoholic refreshments will be available continuously during the Ball.

There are several parking options, both off-street and kerb-side within the Parramatta CBD that are available to you. To avoid any inconvenience, please take note of the closing time of the parking station.

Most of the dances on the program will be called and walked through prior to being danced. The level of instruction for each dance may vary according to each dance's requirements and the capability and experience of the ball attendees as determined during the night.

There are two set dances that will not be walked through - Australian Ladies and Love 'em & Leave 'em. Although Love 'em & Leave 'em is a perennial favourite it will be called.

The couples' dances will be demonstrated for those dancers who are unfamiliar with the dance.

For instructional notes on the dances programmed for the Ball, you may wish to visit other pages on my web-site, where I have published a set of instructions for each dance.

See <http://www.optusnet.com.au/~donr/ball2006/prog2006.html> , there is also a link to it on the Bush Music Club's web-site <http://www.bushmusic.org.au>

PICNIC SUNDAY MAY 28th from 10:30am.

In keeping with the tradition of previous years, there will be a picnic following the ball. The venue for this year is Lake Parramatta. It is a BYO (everything) event and is usually attended by both dancers and musicians. The Lake Parramatta is on the northern side of James Ruse Drive near Windsor Road and is accessible via an underpass off Bourke St, North Parramatta.
